OTHER NEWS

Recycling:

Have you got more trophies than room to keep them in? Are you looking for a good use for them? BCHDA invites any 'Senior' dancers that would like to 'recycle' old trophies to donate them to the Association, where they will be fixed up and reused.

ScotDance Report

As of January 1st, 2002 the rule regarding a teacher/judge giving a workshop and not judging a competition with the same dancers within 3 months will no longer apply. The exception to this being, judging an ex-student within 3 months will still not be permitted.

ScotDance Canada Championship Series

BCHDA has donated \$15,000 to ScotDance Canada for the 2002 competition.

Gaming Commission

- BCHDA received \$32,000 from Gaming money last spring. We are in the process of making application for a similar amount in 2002.
- Part of the funds requested will be for the purchase of two laptop computers and printers for scoring at competitions.
